 Seniors of 1955
 It is a pleasure to offer congratulations
 to the Class of 1955. Your number is small but
 your accomplishments are many.
 This outstanding annual, "The Harvest of '55",
 will remain as a tribute to your class.
 It is my sincere wish that your future be
 marked with success.
 Sincerely,
 T. L. Monninger
 Superintendent of Schools

Class History

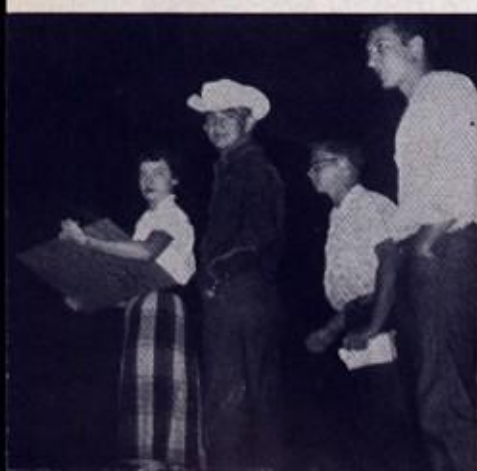

Can you remember that day in September of 1943 when you stepped in the first grade room of old M. H. S. ? Of that number only four attended all twelve years--Iola McCollim, Pat Galvan, Joe Byrnes, and Jerry Cunningham.

Our most educational day was the freshman initiation. This included our initiation, a picnic, and a three mile hike. We started our education in M. H. S. from the 1952 seniors, who persuaded us to recite "The Poem of the Year". Our class officers were: Joe Walker, President; Janett Nigh, Vice-president; Joyce Murphy, Sec. and Tres.; Student Council, Bob Walker and Bettygail Douglass. Betty was also cheerleader.

Our Sophomore year was one of little to do. Our class officers were: President, Anita McDonald; Vice-president, Joyce Murphy; Sec. and Tres., Joyce Snyder; Student Council, Jerry Boyer and Janett Nigh. Cheerleader for our sophomore year was Janett Nigh. We sold programs at the Moline Basketball Tournament to help us start our activity fund for the next two years.

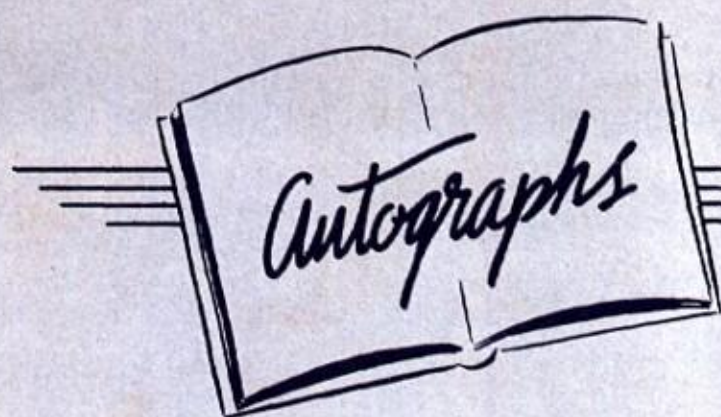

Our junior year headed by our class officers who were: President, Bob Walker; Vice-president, Bill Foote; Sec. and Tres., Anita McDonald; Student Council, Pat Galvan and David McClure; Cheerleader, Lila Marshall; we added to our fund by having our concession stand and our junior Play, "Finders Creepers". By then we were able to give the '54 seniors a banquet. The theme was "Under the Sea".

At last we are seniors! Our class officers were: President, Joe Walker; Vice-president, Jerry Boyer; Sec. and Trea., Anita McDonald; Student Council, Lila Marshall and Joe Byrnes. David McClure was our Student Council President and Bettygail Douglass was our senior cheerleader. Now, as seniors, we are looking forward to our senior play which will be in March, our senior trip to Colorado, and graduation on May 19, 1955. We are proud to be graduates of M. H. S. and will carry our memories of High School with us through out life.

The **'54 BAND '55**

Mr. Ferguson
Director

The Moline School Band of '54-'55 had a larger membership than its parent organization of the preceding year. Made up of pupils of the grade school and of the high school its total complement was forty-seven members--thirty-nine instrumentalists, seven twirlers, and one majorette.

The band appeared in seven parades in communities other than its own and presented three half-time football shows on its home field. Concert appearances included the Moline Schools Christmas Program, a springtime concert preceding the District Music Festival, and an appearance as an integral part of the Black Jack Music Festival Mass Band of the springtime of '55--a large ensemble numbering over two hundred instrumentalists formed from the bands of the member schools of the League.

The M. S. Band was directed by Mr. Robert Ferguson with the members of the twirling unit being coached by Miss Elaine Davis, Home Economics teacher.

Drum Majorette for the year was Carol Hopper. Band officers were Anita McDonald, president; Janett Nigh, vice-president; Iola McCollim, secretary-treasurer; Bettygail Douglas, reporter; and Donna Wilson, Student conductor.

Football Highlights Of '54

The Moline Hornet football squad of 1954, after a slow start under its new coach, proved to be one of the powers of the Black Jack League. After dropping 3 of the first four games, the Hornets rebounded with surprising power and crushed their last four opponents to share second-place honors with Sedan in the strong Black Jack League.

Opening the season, the Hornets barely squeezed past a tough Douglas eleven 7-6, then traveled to Hamilton where they dropped a hard fought 12-0 decision. On October 1 the strong Leon team wore a determined Hornet eleven down to win 26-6. Moline then lost a tough one to Sedan at Sedan 14-13. The tide turned on October 15 as the Hornets trounced their Cross-town rivals, Howard, by a score of 32-6. Victory seemed so sweet the entire squad rebelled at the thought of losing another and proceeded to take Cedar Vale 27-0, Peru 35-0, and Elk City 27-0 on successive weeks. The "B" had a lot of the same fire and proceeded to take the measure of Leon "B" 7-6 and the Howard "B" 13-6 after dropping an early contest to Sedan 13-6. The entire Moline Squad is to be praised for their determination and superb play. Jerry Cunningham and Jerry Boyer probably contributed more than their share of fine performances throughout the season as linemen. Dude Bell and Joe Byrnes stood out in the backfield offensively and defensively. No one person should receive any more praise than Bob Walker as he performed as only "Robert" could. His positions were many, quarterback, halfback, fullback, and tackle, but his linebacking on defense was unsurpassed. He will be sorely missed as will several other seniors.

The top point-maker and ground-gainer for Moline was Joe Byrnes who scored 75 points. Two of Joe's touchdowns came on runs of 80 yards. Dude Bell was second highest scorer with a total of 51 points and also second highest ground-gainer. Most of Dude's yards gained came on line bucks. In league play Moline outscored its opponents 140-42, or 23.3 to 7 per game. The Hornets out rushed its opponents 1,986 to 1,037 or 248 to 129 per game.

The Hornet squad has chosen Roger Stephens, who received a broken leg early in the season, as honorary captain for 1954. Co-captains selected for the year were Jerry Boyer and Joe Walker.

THE FIGHTING HORNETS

The Moline Hornet Basketball Team had a poor season if judged by winning, but the Hornets showed the fighting spirit which makes a great team. When a team has a bad season, the public loses interest and does not support it. This charge can not be made against the Moline students; they stayed behind their team all the way, cheering and pushing them onward. The Hornets never gave up even after a season of inability to hit the basket, losses by injury, and numerous defeats. They played as hard to win the last game as they did the first. A team which plays under these conditions and keeps its fighting spirit should be complimented and respected.

The Hornets started the season by losses to Sedan, Howard, and Leon before coming through with a victory over Grenola. They won over Severy, lost to Peru, and lost the consolation trophy in the last few seconds of play to Elk City. The Hornets began the second half of the season by losing to Sedan and Leon before winning over Longton, the last victory of the year. The Hornets dropped the last four games of the season to Peru, Howard, Elk City, and Cedar Vale.

The Annual Staff wishes to dedicate these pages to a great team very ably coached by Luther Gilliam. This may not have been a winning season, but as Grantland Rice said in his poem, "When the Great Scorer Comes."

When the one great Scorer comes
To write against your name,
It isn't whether you won or lost,
But how you played the game.

The Annual Staff congratulates the fighting Hornets and Coach Gilliam.
